**CADILLAC FESTIVAL OF THE ARTS—2021 POSTPONED**

Up North Arts and Cadillac Art Council would like to announce the postponement of the Art Fair and Festival until 2022. After months of contingency planning for a COVID safe event, significantly low artist applications, low food vendor interest and limited volunteers - we have decided to postpone until 2022.

We are planning on having a number of activities for the community to participate in the week of July 11— *Tiny Canvas Scholarship Sale, Kids chalk art competition,*

Taste of Cadillac restaurant week, live music at the pavilion and a YArt Sale are a few things we are planning on now.

We truly rely on the community in terms of volunteer support, and we hope that continuing supporting the arts is important to everyone.

SCAM ALERT Also, we have been alerted by multiple people that there are people claiming to be representatives of our organization. They are offering booths for \$100, and that is not even how a juried fine art fair works. If you've been contacted by or sent money to one of these people, please be advised that it's a scam and contact us right away. Our festival is postponed and artists were notified in May.

Thank you, community, for your support of over 50 years!

We look forward to bringing you some activities this July and a great art fair next year.

Your Support and Understanding are Appreciated

Like most non-profit organizations, we rely on the regular patronage and support from our community. If you are able to make a contribution to help us as we get started again, please consider making a donation in support of our mission to inspire and enrich lives through the arts.

Donate securely by using the DONATE button at the bottom of the Membership page at <https://upnorthartsinc.com/memberships/>. You can also send a check or money order to **Up North Arts, Inc., Attention: Membership, PO Box 62, Cadillac, MI.**

Thank you for your generous support and understanding for this past disruption in our regular services. We look forward to dancing, making music, creating and sharing artwork with you in the coming months.
