Letter from the President

I am excited to announce we have hired a part time Executive Director for Up North Arts. Heath Urbaniak will support us moving forward our mission to bring art in all its forms to the greater Cadillac area. Heath has been an active board member for almost two years and is familiar with the workings of a non profit organization. He will start by focusing on our social media presence, marketing, managing the day to day activities in the building, and collaborating with other local non profits. Heath will also work closely with local municipalities to promote our mission. He will be the face of Up North Arts. Please welcome Heath to this new role. We have a lot of new, exciting things coming this year. Thank you for your continued support.
