# 2025 Sponsorship Drive

Up North Arts has been working to provide art education and enrichment for the greater Cadillac area since 2016. This past year we were able to host nearly 80 events for hundreds of people in our area, focused on creativity and the arts. We believe there is an art to everything. So, we have made it our mission to cultivate a place, in our community, where people can discover new passions and forms of self expression. This creative arts center provides space and opportunities for artists and students alike. We employ instructors and cultivate classes, as well as host performances and events, that foster creativity, promote individuality, and initiate conversations amongst friends and peers. Our organization is asking for your support so that we may continue to serve our community. Creating a shared space to experience the creative process is essential to all aspects of the human condition. With your sponsorship, our registered 501c(3) nonprofit organization, will ensure that your support will make Cadillac the beautiful, vibrant, and unique place that we all love to call home.
